Date:- 12/12/2011.

NOTIFICATION

Sub:- Amendment / addition to Board Rules to incorporate transparency in evaluations.

Ref: Board Meeting dated. 23rd August 2011

Principals meeting involving all eight affiliated institutions was held on 28th June 2011 and 5th July 2011 to discuss about the need of transparency in evaluation process in the light of provision under Right to Information Act 2005. It was agreed that BTE needs to demonstrate the fairness of the evaluation system to remove any doubt in the minds of examinees on the correctness of evaluation. At the same time BTE as an examining body has certain limitations such as (1) The identity of examiners / moderators / scrutinizers and any person associated with examination is confidential to avoid undesired impact on the functioning of Board and (2) It is not practicable to offer inspection of answer books beyond fixed schedule considering the large quantity of answer books in each examination. 3) Board should be sensitive to the public interest of maintaining fixed time frame for finalization of result, declaration of relative ranking etc.

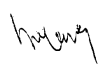

Considering all aspects, the Rule 14 of approved rules for semester pattern is modified as below to add the facility of issue of photocopies for inspection, verification in presence and revaluation of answerbooks. The amendment to rules is approved in the Board Meeting held on 23rd August 2011. The rules are applicable to all diploma courses affiliated to Board of Technical Education, Goa state with immediate effect.
